HAND CRAFTED MEMORIES

Here at Lewis Marquees your wedding or event is everything to us, which means every detail is tailored specifically to your needs, right down to the way we make our handmade traditional tents.

We pride ourselves on helping you make it a day that will live long in the memory, and with over 180 years of marquee and events heritage behind us, why trust anyone else? Being one of the oldest and most recognised names in marquees in the South of England, we have a long and proud history to uphold. With a lot to live up to, we won't allow you to settle for second best.

WEDDING MARQUEES

We understand that planning your wedding is one of the most important things you will ever undertake.

As it's your special day, we will listen and then advise you on the most practical and affordable manner so it's done your way. The options for wedding marquees available to you are lengthy, which can be daunting, so we will attempt to narrow it down, help you choose and create as stress free a process as possible. We will be there every step of the way, from the initial complimentary site visit by one of our experienced staff, to the design and layout of your big day.

If you don't feel you have enough room to accommodate one of our tents, we can work around it and get creative during our site visit. We can also source an alternative venue for you at a number of stately homes and country houses who we partner with around the South of England.

CORPORATE EVENTS

Lewis Marquees are a trusted marquee partner for commercial and corporate events across the UK, offering an outstanding commercial marquee hire service for local companies and world-renowned brands.

We proudly supply and sponsor the Garden Shows at Stansted House, Losely Park and Firle Place. We're also a recommended supplier for the Goodwood estate, covering the Festival of Speed, and Revival meeting amongst others.

Our corporate events and commercial marquee hire service are bespoke to you, making sure that we do all that we can to make your event unforgettable.

Working closely with you, we create the optimum space to impress your clients whether it be large or small. While at all times following any of the technical requirements or restrictions you may have.

TRADITIONAL MARQUEES

Manufactured in house, our 'traditional' canvas marquees create the most stunning backdrop to any event. Ranging in sizes from 10ft wide to 40ft wide. They use King Poles (which can be imaginatively decorated) to raise the structure majestically from the ground, using a network of guys and ropes to keep it secure.

The design of the marquees ensures that the lengths are interchangeable, so are ideal for the smallest to the largest events. Our 'traditionals' need extra space on site to accommodate the lines and guy ropes. However we would always recommend one to leave a lasting impression on your guests.

Our traditional marquees come in a wide range of sizes from 10, 12, 16, 20, 30 and 40ft wide. We also have round tents in 20 and 30ft.

FRAME MARQUEES

Our Losberger clear span tents range from 3m to 15m wide and, like the traditionals, can be extended to any length in 3 and 5m bays. They are ideal if space is an issue and, because they don't have King Poles, can create a fantastic blank canvas in which to embellish your event. They are ideal for any event from weddings to parties, corporate hospitality and fairs, to community events.

We can finish our clear span tents with a variety of different linings and interiors, and can even encompass small trees, flower beds and fountains to stunning effect.

Our 2, 3, 6 and 9m Losberger multiform structures are perfect for small to medium size functions, whereas our 10, 12 and 15m tents are heavy duty aluminium structures for a larger event. Our Frame tents are built to last and provide safe and secure cover for almost any type of event.

PAGODA MARQUEES

Pagodas, or 'Chinese Hats' as we affectionately call them, are a great way to add to our clear span marquees, creating striking entrance porches, bar or reception areas. Alternatively on their own, they make great spaces for corporate hospitality and stalls, or simply temporary shelter in smaller gardens come rain or shine.

Our Pagodas come in 3x3m, 4x4m and 5x5m sizes and leave a lasting impression.

GARDEN PARTY MARQUEES

We take great pride in helping you with celebrations of any kind, whether it be it a 21st birthday party, a wedding anniversary, retirement event or simply an excuse to let your hair down.

There is no place like home, so why not throw a party and celebrate with people you love the most in your own back yard? At Lewis Marquees, we have a range of marquee styles perfect for gardens large and small.

Our expert team work with the space available on-site; we deliver, construct and take down our marquees so you can rest assured that your party is stress free before and after your big event. Leave it to us to transform your garden into the perfect party venue.

We can also help you give your party marquee the WOW factor with our high-quality furniture hire service. Take a look at our 'Interiors' section for more details.
